Dave

Dear Collette, bra

**Administration** I sure enjoy these slumber (?) parties

I guess I better hav one sometime. Remember

last night and all our wolf whistles. We

sure have had fun in the short time I've known

**Graduates** you,

I sure was scared the night you stayed with me.

First everyone running down the stairs and then **crash**.

Was I ever shook. But I guess everything was alright.

**Classes** If the whole summer is as fun as these

few weeks have been I'm really going to have a ball.

I really don't see how you can stand those

"peanut-butter hamburgers." I think they stink!

Remember the **Activities** night at the State Line when you

had one.

We had better get to sit somewhere near each other

next year. If we don't it will be awful hard to pass

notes.

**Sports**

Did you really see a man in the cellar of that old

school? Boy did you have me scared. I guess we

kinda cheated on that game. But it was fun.

**Advertisements**

We better have our party pretty soon (After all

those plans we made) It should really be a ball.

I wish you the best of luck in everything always.

Dear Reggie,

You have been our friend now for a year,
We've lived and worked together in good cheer
And we have learned to hold you dear
But now the year is through.

Blessings on us this year have shone.
What the future holds is still unknown,
But friendship's seeds that we have sown
Will still be true.

To you, dear Reg, our thanks we raise.
Will you accept our heartfelt praise
And remember us through all your days
As we'll remember you?

We hope you've enjoyed "the American way"
And pray that very soon you may
Knock at the door of our homes and say
"I thought I'd stop; I was passing through."

We do hereby dedicate the "Cardinal" to our foreign exchange student Regula Rutishauser from Switzerland and to the goal of the exchange program, International Good Will.

Co-operation, time, effort, thought, work, money, and fun have been factors in compiling this, our book of memories. However, there are organizations and individuals to whom we wish to acknowledge our appreciation. Thanks, Mr. Alf, of Edstrom Studio, for your photography work and kind suggestions to two poor, baffled editors. Thanks to Columbia Studios for the individual pictures. Thanks, Mrs. Johnson, for being our advisor. Thanks, Miss Osborn, for the use of your room and refrigerator! (Too bad there was nothing in it, but we must compliment you on your well stocked cupboard.) Thanks, Byron W. Johnson and the entire W. A. Fisher Company. Thanks, Mr. Napp, for taking additional pictures. Thanks to the entire staff who wrote, typed, proofread, sketched, collected money, and made paste-ups. We hope that the efforts of all these people have not been in vain, but that the Cardinal of '59 shall long be remembered.

# CLASS HISTORY

With the new year of 1948, a new class entered Harmony Public Schools. There were 18 to begin with, and through the years, we have gained many more, and, of course, lost a few too. Of the original class, 9 have gone through thick and thin to graduate together in 1959 along with 40 acquired classmates. These are JoAnn Bergey, John Christiansen, Julie Hanson, Callie Harmon, Bonnie Hoiness, Diane Hoiness, Lana Matson, Robert Myers, and Richard Pederson.

In first grade we gained Melvin Funke. Ralph Hettig came in the third grade, and David Hahn came in the fourth. Our fifth grade was increased with the addition of Allan Capper, David Jenson, Janet Mortenson, Ardath Masters, and Kenneth Kiehne. Kenneth Christenson and Richard McKay joined us in sixth grade, and when we were promoted to the High School Building, we were joined by Rosemarie Anderson, Dallas Bestor, David Bigalk, Tom Darrah, Karen Engle, Richard Felland, Kathleen Grebin, Gary Gossman, Richard Kiehne, Larry Miller, and Arden Willford. In eighth grade, we acquired Jim Brokken, Marlys Crouch, Ronald Scrabeck, Viola Scrabeck and Tom Winther, and when we were freshmen, Barbara Alexander, Jim Berning, David Casey, Larry Hovey, Larry Long, George Nagel, Wynn Thatcher, Pauline Vreeman, and Nancy Wilson came to Harmony. As a sophomore, Mary Brooks came. In our junior year, Gale Burkholder, Gary Every, and Larry Houdek joined us, and in our senior year, our class was complete with Reggie Rutishauser.

Throughout our high school years, 24 of the graduating class have been active in music, both band and chorus; 13 participated in footiball, and as seniors helped make Harmony's team Co-District Champions; 6 boys played basketball and many went out tor baseball, track, and wrestling.

As juniors, we worked hard on our prom, using the theme "Oriental Fantasy." We were thrilled when our beautiful class rings came, and for both our junior and senior class plays, we chose mysteries, "Ten Little Indians" and "The Bat." Also, during our junior year, Girl and Boy Staters were chosen. They were Callie Harmon, with Bonnie Hoiness as alternate, and John Christiansen with Jim Brokken as alternate.

Our senior year football season was climaxed with homecoming activities when Nancy Wilson and Gale Burkholder were chosen king and queen. Attendants were Diane Hoiness, Kathy Grebin, Sharon Vold, Barbara Alexander, Jim Berning, Dick McKay, Richard Felland, and Larry Hovey. As seniors we are looking forward to our trip to Chicago, the prom, and, of course, graduation.

As a class we have spent wonderful years together at Harmony High School. We will never forget our happy high school days!

# KNOW ALL BY THESE PRESENTS

We the class of 1959, of the city of Harmony, the county of Fillmore, and the State of Minnesota; being of unsound and weak mind and dull memory, and acting under fraud, duress, menace, and the undue influence of all people whatsoever, do make, publish, and declare this our last Will and Testament, in the manner following, that is to say:

I, Gale (I'm a flirt) Burkholder, do will the curl in the middle of my forehead to Fred Kiehne as he could put it to good use.

I, George (Bearcat) Nagel, will my wrestling techniques to Franny Ryan who seems to put her own to good use.

I, Nancy (Jim makes me so mad) Wilson, do will and bequeath my embarrassing moments while cheerleading to Dave Miller. I think he would make a good cheerleader and he has already had his embarrassing moments.

I, Tom (I don't like to work) Winther, do bequeath my ability to miss six weeks of school to Royce Patterson who seems to have a good start.

I, James (I'm moody) Berning, do will my long legs to Betty Matson who could use them in her tomboyish ways.

I, David (I wreck cars too) Hahn, will my muscles to Howard Wickett who might need some in Canton.

I, Reggie (now don't laugh it isn't funny) Rutishauser, do will my love for skiing to Mavis Hegg because it would be easier for Mavis to get to Wykoff on skiis.

I, Julie (I'm glad Alaska is the 49th state) Hanson, will my love for bathing suits to Kenny Klingshiem as he loves them too.

I, Allan (Gus) Capper, will my love for Canton to Stanley Berge. He seems to travel the road quite frequently.

I, John (I went to Boys State) Christiansen, will my beautiful hair style to Dorothy Hill. I think she would look better with it.

## CLASS PROPHECY

At last 1969 has arrived! This is to be the greatest event that hit Harmony since May 28, 1959. What could it be? Why nothing else than a class reunion of those forty-nine "fifty-niners."

Let's put on our space suits, climb aboard our plastic bubble, and try to catch a glimpse of these people in their present day occupations. As we leave Harmony, we notice quite a few changes. David Hahn is the driver training instructor at the high school. Gary Gossman's central office for the Elevator Shoe Company is located on Main Street. Larry Long and Ronald Scrabeck are publishers of a new company called The Thoma Publishing Company. Ralph Hettig's garage is known for the new multi-throat carburetor. The gas mileage with this carburetor should be one gallon per mile. Larry Hovey is the sales manager of Haugerud Insurance Agency, and we have Viola Scrabeck cutting stencils for the Harmony News. Upon leaving Harmony, we catch sight of Robert Meyer's new factory, which engages in squeezing blood out of turnips. The turnips are being grown on the football field.

On our route south, we fly across the Dave Bigalk farm. Hemp and bananas are the products being grown on the southeast five hundred.

Wynn Thatcher has become the life-time mayor of Bristol Center and along with this career, he cultivates a hobby of being proprietor of the Cadillac Garage.

And now on to Cresco and the world-famous English teacher, Bonnie Hoiness. She has established her permanent residence at Cresco in spite of the very tempting offers she has received to teach at Harvard. Cresco also has a new shoe store which handles Connie shoes only. The proprietor is none other than Dallas Bestor.

In Chicago we find a professional wrestler by the name of George Nagel, and in the city of Detroit is Oscar (Richard Kiehne) who has advanced to the high-paying position of painting cars.

It is sort of fun to maneuver our plastic bubble back and forth across the United States. This time we'll take a turn south towards Missouri. We find Dick McKay acting as student council president of Stevens College, which everyone knows is the finest girl's college in the United States.

Going over to Washington D. C. we see a sky writer performing quite beautifully. When flying east he writes, "Vote for Jim Brokken for senator on the Republican ticket." Flying back west the print changes to, "Vote for Diane Hoiness for Senator on the Democratic ticket." That pilot must have a lot of patience because he has been doing this every day for ten years. On the outskirts of Washington D. C., we see the Trouten Law office. The secretary is none other than Mary Brooks.

Back in Philadelphia we have another chain store called the Hanson Drug Store. The president of this corporation is Julieanne Hanson, who is vacationing in Naples, Italy. While we are passing this way, let's swoop down at Gettysburg and view the First Lady of '59, Mamie Eisenhower. We have spotted her in a beauty parlor. The advertisement in the window of this beauty parlor is quite interesting. It reads, "Prim properly, no robbery. Mamie buys, the Janet Dyes." Janet Mortenson is the sole owner and operator of this shop.

The first thing we see approaching New York is the base with all the good-looking "Waves". The commanding officers of these beauties are Lana Matson and Ardath Masters. Entertaining the Waves quite often is the Harlem Globe Trotters. Their latest manager is Jim Berning. As we fly down to pick up a New York Times and began to catch up on the news, we notice the headlines read as follows: "Hear Ye! Hear Ye! First Woman Editor Appointed." Upon reading the fine print, we notice the editor is none other than Kathy Grebin.

We now cross the Atlantic to Bern, Switzerland. Reggie Rutishauser is proudly boasting of her achievement as first woman council member of Switzerland. In Paris, France we spot Marlys Crouch. She, too, runs a beauty parlor. Her specialty is that new bald look.

Leaving Europe for the dark lands of Africa, we encounter the vast Sahara. Melvin Funke has a tent on the edge of the desert and keeps himself busy tieing bow ties around the necks of giraffes. As we look across the desert, we see Larry Houdek and Tom Darrah approaching with twenty dead elephants. They inform us that hunting is quite good these days.

Back north to Moscow, we find the newest thing, "A Little America." It has a very good school system under the supervision of Superintendent Karen Engle.

Oh, and what fun crossing the Pacific to Hollywood. We are blinded by the bright camera lights shining in our faces. The head photographer is Kenneth Christenson, who is photographing us for the Bob Cummings Show. Larry Miller is in Hollywood too. He has a very interesting position as promotion manager for the song "Margie." The last interesting billboard we saw in Hollywood showed Richard Pederson. He is known as the "All American Boy of Hollywood."

As everyone knows, Texas is the land of the cowboy. Well, Kenneth Kiehne found he fitted in this state quite well. After a day's work as commander-in-chief of the Texan Air Force, he retires to his fifty-acre ranch to relax.

At last we can head for Minneapolis, Minnesota. We find JoAnn Bergey modeling for Sears & Roebuck, page 44. "Brokken" hearted Nancy Wilson is a cheerleader for the Minneapolis Lakers. Richard Felland is playing professional football for the Green Bay Packards, his position being drawback. He has returned to his winter home on Washington Avenue, Minneapolis.

Heading towards southern Minnesota, we see Callie Harmon at Rochester. She is now the head nurse of the Mayo Clinic. John Christenson calls Rochester home too. His glamorous career is none other than that of being a professional hair stylist. He advertises his specialty as having that forward look.

Spring Valley brings us Pauline Vreeman. She is busy keeping house. On her mantle she has a plaque that was awarded to her as the 1968 Mother, Housewife, and Pizza-Maker Woman of the Year.

Some of those fifty-niners got as far as Preston in this big wide world. Barbara Alexander is running the Lonely Hearts Club of Preston. David Jensen is the new sheriff of Fillmore County having won the election after receiving the Highway Safety Award of 1968. Rosemarie Anderson is secretary at the Preston Creamery. Gale Burkholder is a Preston farmer raising only cabbages. He just recently was crowned sauerkraut king of the United States.

Now to move on to Harmony. Gary Every is living on his father's farm and is famous for his boxing box-elder bugs. Tom Winther has opened a new business in Harmony just today. Up until now, he was a professional polisher of a white Chev convertible. Now he found the first payment due. In order to make this payment, he has established the Minit Car Wash. Arden Willford struck it rich after completing his subway from Harmony to Matters. He operates it every night of the week charging a fare of fifty cents a person.

What is this, a new face on Main Street! As we peer closer we see it is David Casey who has just returned from New York. He looks a little beat up, but then who wouldn't! Floyd Patterson has been using him as a punching bag.

The trip is over, and at last we can shed our space suits. The one thing we would like to know is, "Does Allan Capper wear a space suit all the time in his barber shop on the moon?"

The junior class of '59 was busy as beavers from the start as we started raising money for the prom. Our class enjoyed presenting the play, "Lo and Behold", to an appreciative audience. We ordered our class rings last fall. There couldn't be better ones anywhere! We had several of our class represented in band, chorus, and small musical groups. Some of our class participated in the local declam contest. With the hard work of each one of us we put on a successful prom, May 2. This was a memorable occasion for juniors and seniors. By keeping the enthusiasm we've had this year, I'm sure our senior year will be a big success.

With all fifty-eight members of the sophomore class of '58-'59 working together, this has been one of our most exciting and busiest years. We started the year by putting on one of the prettiest and most successful homecomings ever. Both basketball and football have attracted many of our boys. Most outstanding was G. Evenson in basketball and P. Kjarland in football. We think our class is quite musically inclined for an overwhelming majority of our class belonged to either band, chorus, or glee club. Three of the senior cheerleaders are from our class. We have vowed that we will make our junior year twice as interesting and successful.

The Class of '62 has been a busy class this year. Barbara Jones and Phyllis Masters were junior cheerleaders. Many of our boys were out for football and basketball. Susan Jones belonged to chorus and many of us belonged to band. This spring we sponsored a farewell party for the seniors. This past year has been very successful for us, and we are looking forward to our sophomore year in Harmony High School.

The fifty eighth graders have had a year full of fun. To begin our year's activities, we selected the slogan "Bury the Burros" for our Homecoming float. Several of us were in Junior Band, Declam, and on the C basketball team. This year we gained four new students and we hope our Freshman year will bring us more new classmates and fun!

Sixty-four eager students entered the halls of Harmony High this fall as seventh graders. They had a busy year. Many were in beginners and junior band, and Bob Hutton, Rita Bigalk, and Greg Hultcher were in senior band. Jacky Matson represented the class in the student council, and eleven boys were members of the C basketball team. Mr. Napp and Mr. Ollhoff helped advise the class in their activities. She is warned that mysterious things are happening around the house, but she refuses to move. About this time it is discovered that a large sum of money is missing from the dead banker's bank. Immediately the suspicion is aroused that, far from being dead, he has stolen the money, hidden it in a secret chamber in his house, and is awaiting a good chance to sneak back and get it. Overcoming the obstacle of being moved from its homeroom the Cardeon staff and Editors Kathy Grebin and Nancy Matson, along with Mrs. Johnson, successfully met the deadline every month. Activity hours often found typists and stencilists busily typing the reports recently turned in by the capable reporters. Many times we were mimeographing the last page and stapling the issue together on the last day but the paper always made it by dismissal. Filled with news, interviews, sports and gossip; the paper was thoroughly enjoyed by all.

The "Cardinal" staff headed by the editors, Nancy Wilson and Karen Engle, worked very hard so we could complete the '58-'59 annual. Edstrom's Studio of Winona took the senior class and group pictures, but the informal pictures were taken by many of the students. We have all tried to make this one of the best annuals published by Harmony High. We sincerely hope you will enjoy looking and reading through the Cardinal this year and in years to come.

## SPORTS REVIEW

The Harmony Eleven turned in their best-played season in the last twenty-two years by sharing the District I championship with Caledonia. James Berning and Arden Willford received District I All-Conference Honors, and Richard Pederson received honorable mention. The entire team deserves much credit for a very successful year. Marvin Gunderson was the football coach.

The Basketball season got under way by dropping the first two games, Caledonia and Lanesboro. Harmony took part in the Christmas Holiday Tournament at Mabel by defeating Preston and losing to Mabel, thus coming out in second place. The Cards ended the season with ten wins and eleven losses. Harmony came out in fourth place in tournament play. Larry Thompson was the basketball coach.

There are seven lettermen returning for baseball for the '59 season. With these returning lettermen, the season outlook is very good. Marvin Gunderson coached the baseball team.

Harmony has a good outlook for a track team this '59 season. Three outstanding boys, David Bigalk, Mike Henry, and Loren Gillund, who placed in District I tournament last year, are back for another year. James Netland was the track coach.
